EDUCATION

2024 - 2026

Master Of Computer Applications

Goa Business School, Goa University

Actively seeking opportunities to apply my skills via internships, freelance projects, and open-source contributions while pursuing an MCA.

Built "**Pharmass**" as an OOP project — a Java-based mobile app that helps local pharmacy vendors list and manage medicines. Used **Figma for prototyping**.

2020 - 2023

Bachelor Of Computer Applications

St Xavier's College Mapusa, Goa (Final Year Project)

Church Web App: Developed a responsive website for a church to replace WhatsApp groups for updates. Designed UI, implemented authentication, and ensured seamless integration. Built using HTML, CSS, Bootstrap, JavaScript, and Firebase.
